**To Wells Primary School,  
England.**

Dear Students and Teachers of Wells Primary School,

We are overwhelmed with joy and gratitude as we write this letter to express our heartfelt thanks for the incredible generosity you have shown us. The school supplies you sent have brought immense happiness to our students and have significantly enhanced our learning environment.

The colorful pens, pencils, crayons, and books are being used daily in our classrooms. We are thrilled to participate in art classes, creating vibrant drawings and paintings that showcase our creativity. The books are a treasure trove of knowledge, and we are devouring them, expanding our understanding of the world.

Our teacher, Salma, has been instrumental in incorporating these supplies into her lessons. She has designed engaging activities that promote critical thinking, creativity, and problem-solving skills. In one such activity, students used the crayons to create a collaborative mural depicting their favorite storybook characters. The excitement and laughter that filled the classroom were palpable.

In another activity, Salma used the pencils and paper to teach students about shapes and patterns. The students worked in groups, creating intricate designs and exploring mathematical concepts in a fun and interactive way.

We are deeply grateful for your kindness and thoughtfulness. Your generosity has not only provided us with essential supplies but has also inspired our students to dream big and aim high. Your contribution to our educational journey is invaluable, and we look forward to continuing our partnership.

Once again, thank you for your kindness and support.

Warm regards,

Mayra 8 years old, Ian 9 years old, Annabel 10 years old, Jessen 10 years old,
