Dear Parents and Carers,

I hope you are well and that the recent half term break was a good one for you all.

This last half term is always very busy and there are lots of events happening, where I hope to see you all at some point if possible.

Thank you to those of you who were able to attend our recent coffee morning.

Smartphone Free Pledge

If you have not already done so, please consider joining the pledge for a Smartphone Free Childhood by signing up here:

<https://www.smartphonefreechildhood.org/parent-pact-results?school=england%2F102831>

We introduced this pledge last year and are very pleased that 116 families have since signed up. We are very pleased to report that we have seen a significant decrease in online issues occurring outside of school. When these issues do arise, they can have a significant impact on relationships, teaching and learning.

September 2026

Currently, some children in Year 6 who are walking home from school on their own, bring in their own phone. Whilst we are happy to continue allowing phones for those that need them, **from September**, we will **no longer be allowing pupils to bring in Smart Phones**. Any phones brought into school **MUST** be simple call/text only devices and **MUST** be handed in to class teachers.

Smartwatches

Please be aware that it is not permitted for children to wear any kind of smartwatch in school.

Dates for your diary

As the summer term is so busy, I just wanted to remind you all of the key dates for events.

Please get in touch if you have any questions.

We look forward to seeing you all at some point at some of these events.

Thank you for your continued support.

Yours sincerely,

Debbie Franklin
