Playground Project Update

June 2026

Our Playground Journey

Three stages delivering outstanding outdoor spaces for every child

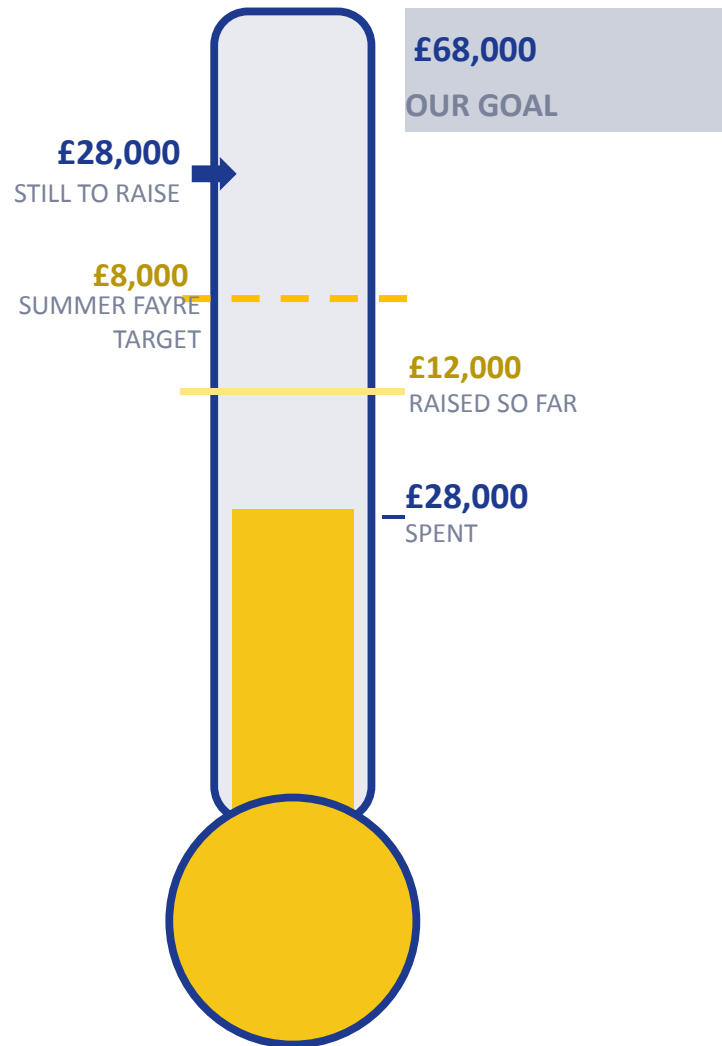

Total Project: £68,000 | £28,000 already spent on KS2 playground & pavilion

Every event, every contribution takes us closer to completing this goal for all children.

Progress & Funding

What we've already achieved together

Thanks to your incredible support, **we've already invested £28,000** in a brand-new KS2 playground and pavilion. It's wonderful to see this space being enjoyed every day by our children, and it's just the beginning of what we can achieve together.

Our next milestone

£40,000 achieved so far. Our **next goal is to raise £8,000 at the Summer Fayre**, allowing us to begin improvements to the Reception playground this summer. After that, we'll focus on the KS1 playground, bringing the full project one step closer to completion.

How far we've come and how you can help

£28,000 spent. £12,000 raised. £40,000 of our £68,000 playground project achieved. Next up are the Reception and KS1 playgrounds. Join us at the Summer Fayre and upcoming PTA events to help complete the project.

How You Can Help

Every contribution takes us closer to completing the playground goal

1 Come Along to the PTA Events

Have fun, get involved and **support the school**. Every ticket, game and purchase helps raise funds for the playground.

2 Match Funding

Many employers will match money raised through fundraising events. A quick check with your employer could **double the impact** of our efforts.

3 Easy Fundraising

Raise money for the school **while you shop online, at no extra cost** to you. A small contribution from your everyday purchases goes directly to the PTA.

4 School Lottery

Support the school while having the chance to win prizes through our weekly lottery.

5 Buy or Sell Raffle Tickets

Our raffles are always popular and make a significant contribution to our fundraising efforts.

6 Donate Preloved Uniform

Donate outgrown uniform and grab pre-loved bargains. Good for budgets and the planet.

7 Get Involved in Sponsored Challenges

Get the children active with a sponsored walk, run or readathon — collect pledges from family and friends.

8 Spread the Word

Tell friends, family and neighbours, share our events on WhatsApp and social media, and help us bring our school community together.
