School Council

Wells Primary School

Eco Council

At **Wells Primary School**, the **School Council** and **Eco Council** have been working on raising awareness of global warming and the importance of looking after our environment. We have been thinking about ways that we can **reduce, reuse and recycle** in school and at home.

Our Planet, Our Climate, Our Future!

At the beginning of the year, in the **autumn term**, the whole school contributed to a wall display in the hall. Everyone, from Nursery to Year 6, worked together to create some artwork highlighting important information and issues that are affecting our planet.

Together, throughout the year, we have been working as a team to: recycle paper and plastic in school; reduce paper and plastic usage; reduce energy usage by saving water and electricity. We even recycled wellies and football boots!

WELLS WALK TO SCHOOL

Well done to all those who **walk to school** or **scoot or ride to school** as often as you can.

During the **spring term**, 134 pupils attended our scoot or ride to school **breakfasts**.

We are very pleased to report that more families are now leaving the cars at home or parking a short distance away from the school and walking.

We have achieved a **TFL Bronze Award** and we are now working towards a Silver award.

We Continue to Reduce Plastic Waste

We have continued to ensure that we reduce plastic waste in school.

All children now bring in their own water bottles every day.

The BIG Battery Hunt!

We are also taking part in the Big Battery Hunt again this year; we have been collecting batteries throughout the year so that they can be recycled responsibly.

In an assembly we learned about what happens when batteries are put into the normal rubbish and end up in landfill.

So far this year we have collected over **2000** batteries.

Recycle your unwanted clothes for a good cause!

Every term we take part in a clothes collection with **Bag2School** - a charity currently working to support the people of Ukraine.

Thank you to those of you who have contributed this year.

WELLS PRIMARY SCHOOL

We will have some fun games for you to play at

Party In The Playground this year.

Please come along and take part

on **Saturday 8th July 2023 - 11:30am - 3:00pm**

Prizes to be **WON! SEE YOU THERE!**

Tea Towels £4 / Lucky Dip £1 / Lucky Num9er £1 / Name the Mammoth £1

Mrs Henderson and Ms Franklin would like to thank the School Council and Eco Council for all of their hard work and dedication this year. July 2023.
